Road & Track If Alfa was going to build an SUV, it was gonna be damn sure it lived up to the Alfa name.

Men's Journal The Quadrifoglio looks to be the most driver-focused SUV on the market.

New York Daily News It seems that with the new Stelvio, Alfa Romeo is combining all of the hottest automotive trends into one car: SUV, 500 horsepower, Ferrari engine, carbon fiber and aluminum ... Italian.

From a looks standpoint, the Stelvio has hardly an equal, with accentuated curves, an impossibly aggressive front end, a handsome tapered roofline, and tall, rounded rear with quad exhaust pipes that tell you 'this is how you'll most often be viewing the Stelvio'.

Maxim Alfa Romeo just unleashed an SUV, and it is a 505-HP, 177-MPH screamer.

Automotive News The 2018 Alfa Romeo Stelvio features a trim lineup that puts German competitors squarely in its sights.

Forbes Porsche Macan Turbo and BMW X6M have a surprising new Latin rival, the stunning 505-horsepower Alfa Romeo Stelvio Quadrifoglio SUV unveiled today at the LA Auto Show.

Car Buzz The 2018 Alfa Romeo Stelvio is Italy's sexy SUV gift to America.

Business Insider Porsche and Mercedes Beware, the Alfa Romeo Stelvio has arrived.
