ABOVE & BEYOND

THE 2017 RANGE ROVER SPORT

2017 introduces Range Rover Sport HSE Dynamic, following the success of the limited edition HST last year.

A host of new Driver Aids and In Car Technologies are also introduced to Range Rover Sport further enhancing its impressive equipment list assuring Range Rover Sport will maintain its popularity in the marketplace.

TABLE OF CONTENTS

Introduction	1
New for 2017	2-3
Standard Equipment	4-7
Options and Packages	8-9
Wheels.....	10-11
Most Appreciated Attributes.....	12-18

NEW FOR 2017MY

New 380 HP Range Rover Sport Dynamic variant – Replaces the limited edition HST – see model description for details.

VEHICLE SYSTEMS

FlexRay and Ethernet Communications technology – this new electrical network infrastructure quadruples the communications speed between vehicles systems connected via the Body System CAN data bus for improved systems integration and performance.

DRIVERS AIDS

New features as standard

- Lane Departure Warning
- Autonomous Emergency Braking

Advanced Driver Assistance System (ADAS)

- Two packages available – see Packages and Options for details
 - Drive
 - Drive Pro
- New Features Available for 2017 (included in above packages)
 - Traffic Sign Recognition with Intelligent Speed Limiter
 - Blind Spot Assist
 - Lane Keep Assist
 - Driver Condition Monitor

Low Traction Launch – provides smooth launch in low traction conditions

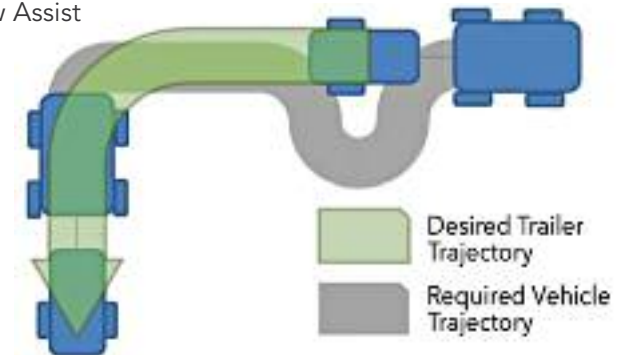

All Terrain Info Center – 4x4i updates

Advanced Tow Assist – When reversing with a trailer, Advanced Tow Assist steers the vehicle to achieve the desired trailer path

EXTERIOR

- Rear Suspension adjustment from Key Fob – to aid loading or connecting trailer
 - Hazard flashers must be turned on
 - Raise, lower or return to Normal height
- Colors
 - Narvik Black
 - Available as a non-metallic color choice
 - Replaces Santorini Black for contrast roof
 - New Premium Metallic colors
 - Silicon Silver
 - Farallon Black
 - Discontinued colors
 - Barolo Black
 - Mariana Black
 - Metallic Paints are now a chargeable option
 - SVO paints with reduced pricing now available on all variants
 - See Order Guide for details on Ultra Metallic, Special Effect and Satin Matte Paint choices
 - Stealth Package for Autobiography – Featuring satin black wheels and exterior trim

Advanced Tow Assist

NEW FOR 2017MY

INTERIOR

- Homelink – updated version increases compatibility with newer remote control systems
- Interior mirror – new frameless design

IN-CAR TECHNOLOGY

- Remote start available
- InControl Touch Pro
 - Central hub to control entertainment, infotainment and vehicle features
 - 10.2" Touchscreen
 - InControl Pro Services standard for warranty period now standard
 - Wi-Fi
 - Connected Navigation
 - Solid State Drive (SSD) with 10GB of media storage
- Rear Seat Entertainment choices
 - 8" system – two independent 15:9 screens in head restraints
 - 10" system – two independent 16:9 in seat backs with 1280x720 HD resolution
 - New RSE User Interface Panel (UIP) with USB, HDMI and MHL connectivity to support multiple smartphones, tablets or other devices

STANDARD EQUIPMENT

2017 RANGE ROVER SPORT SE

POWERTRAIN/PERFORMANCE/ HANDLING

- 3.0L V6 Supercharged – 340 HP/332 lb ft OR
- 3.0L Td6 Diesel Turbocharged - 254 HP/440 lb/ft (add \$2000)
- Intelligent Stop/Start technology
- 8-speed auto transmission with CommandShift
- Full-time Four-Wheel Drive with single-speed transfer box
- Electronic Power Assisted Steering (EPAS)
- 4-corner Electronic cross-linked Air Suspension with Reactive Grounding Response
- Terrain Response® system
- Active Speed Limiter (ASL) and Cruise Control
- 19" 5 Split-spoke alloy wheel – Style 501
- Reduced section spare wheel

DRIVERS AIDS

- InControl Remote with complimentary 4-year subscription
- InControl Protect with complimentary 4-year subscription
- Electronic traction aids 4ETC / ABS / EBD / HDC / CBC / DSC / EBA / TPMS / RSC
- Low Traction Launch
- Lane Departure Warning
- Autonomous Emergency Braking
- Parking Aid – Rear-view camera and front visual display

EXTERIOR

- Hands-Free Gesture Power tailgate open & close
- Twin bright tailpipes
- Passive Keyless Entry
- Rear wash/wiper
- Bi-Xenon automatic headlights with LED signature and power washers
- LED tail lamp & turn signals
- Rear fog lights
- Dark Atlas exterior trim
- Mirrors - heated, adjustable, memory, powerfold with puddle lamps projecting illuminated Range Rover image
- Rain sensing wipers
- Laminated front door glass & front windshield
- Solar attenuating windshield
- Privacy glass fitted to rear doors, quarter light and rear windshield
- Perimetric Alarm

INTERIOR

- Grained leather-trimmed seats with seat-back map pockets
- Power front seats - 14-way driver / 14-way passenger with electric lumbar
- Headrest front & rear with 2-way tilt
- Driver's seat memory
- Power adjustable steering column for reach/rake and entry / exit tilt away mode
- Leather steering wheel with multi-functional controls
- Driver and passenger airbags
- Head curtain side airbags
- Power-operated child locks
- Auto-dimming inside rearview mirror

- Morzine headlining in Cirrus or Ivory
- Dark brushed metal aluminum trim on fascia and doors
- Interior Mood Lighting
- Dual-zone automatic climate control
- Heated rear window
- Secure glove box stowage
- Rear center arm rest with storage
- Front center console compartment
- One-touch down driver & passenger windows
- Electronic Parking Brake
- Loadspace anchor provisions and roller loadspace cover
- Split 60/40 folding rear seat with load-through facility

IN-CAR TECHNOLOGY

- 10.2" Touchscreen
- InControl Touch Pro infotainment system
- InControl Pro Services with complimentary 4-year subscription
- 250 Watt Range Rover Audio with 8 speakers
- 10GB media storage
- USB/iPod port with full iPod integration
- Bluetooth® phone connectivity
- Bluetooth® audio streaming
- Satellite and HD Radio
- InControl Apps
- Solid State Drive (SSD) Navigation
- Voice Control
- Partial Thin Film Transistor (TFT) / LCD instrument cluster

STANDARD EQUIPMENT

HSE ADDS TO SE:

EXTERIOR

- Fixed Panoramic glass roof with power blind
- Front Fog Lamps
- Silver SPORT badge on tailgate
- 20" 5 Split Spoke alloy wheel — Style 520
- Light Atlas exterior trim

INTERIOR

- Full Oxford Perforated Leather Seats with the choice of 7 additional seat colors
- Driver and front passenger adjustable leather armrests
- Heated front seats
- Micro Mesh Metal aluminum trim
- Aluminum tread plates with Range Rover lettering
- Homelink

HSE DYNAMIC ADDS TO HSE:

POWERTRAIN/PERFORMANCE/HANDLING

- 380HP 3.0L V6 Supercharged
- Single speed transfer case only
- Terrain Response with unique calibrations and Dynamic Mode
- Adaptive Damping
- Upgraded brakes with red Brembo calipers
- 21" Style 507 (HST) wheel with dark satin gray color

DRIVERS AIDS

- Drive Package Advanced Driver Assistance System including:
- Traffic Sign Recognition and Intelligent Speed Limiter
- Driver Condition Monitor
- 360 Parking Aid
- Blind Spot Monitor with Closing Vehicle Sensing
- Reverse Traffic Detection

EXTERIOR

- Dynamic body trim
- Sliding Panoramic roof
- Black Contrast Roof
- Adaptive Xenon headlights with LED signature
- Automatic High Beam Assist
- Body color rockers and bumpers
- Darkened front and rear lamps
- Gloss black fog lamp bezels, hood and side vents, grille surround and mesh
- Gloss black 'RANGE ROVER' script on hood and tailgate
- Bright exterior trim package available in lieu of black trim – NCO
- Auto-dimming outside mirrors

INTERIOR

- Climate front and heated rear seats
- 3-Zone climate control
- Heated leather steering wheel
- Configurable mood lighting
- Full TFT virtual instrument panel
- Dark engine turned aluminum trim
- Noble metal plated paddle shifters
- Bright sports pedals
- Premium mats
- 60/40 rear seat with load through

IN-CAR TECHNOLOGY

- 825W, 19-speaker Meridian Surround Sound audio

STANDARD EQUIPMENT

V8 SUPERCHARGED ADDS TO HSE:

POWERTRAIN/PERFORMANCE/HANDLING

- 5.0-liter Supercharged V8 / 510 HP/461 lb-ft torque with Intelligent Stop/Start
- Two Speed Transfer Case (High/Low Range)
- Torque Vectoring
- Adaptive Dynamics, Dynamic Response, Dynamic Program Terrain Response 2 Auto

EXTERIOR

- Sliding Panoramic glass roof with power blind
- Silver Supercharged badge on tailgate

AUTOBIOGRAPHY ADDS TO V8 SUPERCHARGED:

POWERTRAIN/PERFORMANCE/HANDLING

- Red-painted brake calipers (branded front and non-branded rear)
- 21" Style 507 alloy wheels with diamond turned finish

DRIVERS AIDS

- Blind Spot Monitoring with Closing Vehicle Sensing and Reverse Traffic Detection
- Adaptive headlamps with Automatic High Beam Assist (AHBA)
- Auto-dimming mirrors
- Surround Camera System

EXTERIOR

- Silver Autobiography and red SPORT badges on tailgate
- Gloss Black exterior trim
- Soft door close

INTERIOR

- Extended Interior Trim Palette with 7 additional duo-tone & two tri-tone seat color choices
- Leather Duo-Tone heated steering wheel with leather airbag cover
- Leather upper & center dashboard
- Standard wood trim is Shadow Zebrano; choice of Dark Gray Oak wood or dark Engine Turned Metal aluminum
- Front center console cooler compartment
- Bright metal Sport pedals
- Carpet mats with contrast edge (front and rear)
- 3-Zone climate control
- Front climate seats
- 16-Way driver & passenger power front with power lumbar and adjustable front seat bolsters
- Front seat memory function
- Rear heated seats
- Split 60/40 folding rear seat with load through
- Customer configurable interior Mood Lighting

IN-CAR TECHNOLOGY

- Meridian Premium Surround Sound with 825W and 19 speakers including subwoofer
- TFT Virtual Instrument Cluster

STANDARD EQUIPMENT

SVR ADDS TO AUTOBIOGRAPHY:

POWERTRAIN/PERFORMANCE/HANDLING

- 5.0L Supercharged V8 with 550 hp/ 502 lb. ft. torque
- Switchable Active Sport Exhaust
- Increase in top speed to 162 mph (260 km/h)
- SVR 21" 5 split-spoke alloy wheels – Style 517
- Blue painted Brembo brake calipers

EXTERIOR

- Heated windshield
- Gloss black exterior trim
- Color-keyed side molding with black lower finisher
- Unique SVR front and rear bumpers
- Unique roof colored spoiler
- SVR badges on lower front grille and tailgate
- Quad bright exhaust tips

INTERIOR

- Perforated Oxford leather with SVR pattern
- Four unique colorways
- Contrast seat piping
- 14-way SVR sports front seats
- SVR rear sports seats
- Heated front and rear seats (Climate Seats – not available)
- Dark Engine Turned aluminum trim

OPTIONS AND PACKAGES

This is an abbreviated listing of the most popular options, see Order Guide for complete details.

OPTION PACKAGES	optional on
Drive Package – Traffic Sign Recognition with Intelligent Speed Limiter – Driver Condition Monitor – Blind Spot Monitor with Reverse Traffic Detection	SE, HSE, V8 Supercharged
Drive Pro Package Includes Drive Package equipment plus: – Lane Keep Assist – Blind Spot Assist – Adaptive Cruise Control with Queue Assist and Intelligent Emergency Braking	All
Vision and Convenience Package – SE: Surround Camera System, Soft Door Close, Customer Configurable Mood Lighting – HSE only: adds TFT Instrument Panel	SE, HSE, HSE Dyn, V8 Supercharged
Climate Comfort and Visibility Package – Heated front & rear seats, steering wheel, front fog lights, Homelink, Adaptive Headlights with High Beam Assist (AHBA), auto dimming mirrors and 60/40 split folding rear seat with load through	SE
Front Climate Comfort and Visibility Package – 16-Way power Climate Front Seats (heated & cooled), heated rear seats, steering wheel, Adaptive Headlights with High Beam Assist (AHBA) and auto dimming mirrors	HSE, V8 Supercharged
Luxury Climate Comfort and Visibility Package – Adds all Front Climate Comfort and Visibility Package equipment plus: climate rear seats (heated & cooled), 4-zone climate control – For vehicles with 5+2 seating also includes ducting for auxiliary rear air ducting for 3rd row.	HSE, V8 Supercharged
Climate Comfort Package – 4-Zone climate control and Climate Rear Seats – For vehicles with 5+2 seating also includes ducting for auxiliary rear air ducting for 3rd row	HSE Dynamic, Autobiography
Extra Duty Package – Terrain Response 2 Auto, Two Speed Transfer Case (High/Low), Adaptive Dynamics, All Terrain Progress Control	SE, HSE, V8 Supercharged
Rover Tow Package – Hitch receiver – Electrical wiring	All
Advanced Tow Assist	All
360 Parking Aid	SE, HSE, V8 Supercharged
Park Assist	All
Surround Camera System	SE, HSE, V8 Supercharged

OPTIONS AND PACKAGES

OPTION PACKAGES	optional on
Meridian Premium Audio Package – 825 watts, 19 speakers including subwoofer – Surround Sound	SE, HSE
Meridian Signature Audio Package – Meridian Signature 3D Surround Sound 1700W and 23 speakers including Subwoofer – Meridian Signature 3D Surround Sound	HSE Dynamic, V8 Supercharged, Autobiography, SVR
Rear Seat Entertainment – 8-inch – Twin 8" headrest mounted screens – Wireless Whitefire headphones and remote	SE, HSE, HSE Dynamic, V8 Supercharged
Rear Seat Entertainment – 10-inch – Twin 10.2" seatback mounted HD screens – Wireless Whitefire headphones and remote – Requires 18-way massage seats	Autobiography only
Stealth Package – Satin black exterior trim – Requires 21" Style 901 or 22" Style 508 wheels	Autobiography only

INDIVIDUAL OPTIONS	optional on
Head Up Display	All
Adaptive Cruise Control with Queue Assist and Intelligent Emergency Braking	All
60/40 Rear seats with load through	SE, HSE, V8 Supercharged
Full size spare	All except SVR, Not available with third row seating
Contrast Roof	All
Metallic Paint	All
Premium Metallic Paint	All
SVO Paint	All

MOST APPRECIATED FEATURES AND THEIR BENEFITS

Consumer research has identified several key areas of satisfaction among Range Rover Sport owners, which gives us insight about what they like most about their vehicle. It is critical that these key areas of satisfaction be fully communicated to prospective clients.

APPRECIATED ATTRIBUTE: STYLING

CHARACTERISTIC	FEATURE	BENEFIT
Classic Range Rover Look	Floating Roof Clamshell Hood Upright Stance Wheels Pushed to the Corners	Unmistakable Range Rover styling identifies the new Range Rover Sport as a member of an iconic family
Contemporary	Aerodynamic Grille Side Vents Hood Vents	Key styling elements move the iconic design forward and distinguish Sport from other members of the Range Rover family
	Dynamic Variants	Black elements give Dynamic variants an aggressive, sporty look
	Stealth Package	Satin black elements give Autobiography an even more unique style

MOST APPRECIATED FEATURES AND THEIR BENEFITS

APPRECIATED ATTRIBUTE: DRIVERS AIDS

CHARACTERISTIC	FEATURE	BENEFIT
When Changing Lanes	Blind Spot Assist	Applies gentle steering correction if lane change is initiated when a vehicle is approaching in that lane
	Blind Spot Monitor	Alerts the driver to detect nearby vehicles that may be difficult to see at a glance
	Closing Vehicle Sensing	Alerts the driver to vehicles rapidly approaching from behind that may pose a potential danger
	Lane Keep Assist	Corrects unintentional lane drift with gentle steering correction to maintain the lane
	Lane Departure Warning	Uses a forward facing camera to see lane markings and warns the driver through steering wheel vibration when lane drift occurs when turn signals are not activated
While Driving	Command Driving Position	Gives a commanding view of surroundings and easy recognition of vehicle corners
	Traffic Sign Recognition	Uses the same camera as Lane Departure Warning to see speed limit signs and display them in the instrument cluster to assist the driver
	Intelligent Speed Limiter	Adjusts vehicle speed if necessary to keep within the maximum legal road speed. Traffic sign and navigation data are used to determine the speed limit.
	Autonomous Emergency Braking	Uses stereo camera technology to help avoid collisions or mitigate their consequences. AEB alerts the driver both visually and audibly and can apply full braking to stop the car.
	Driver Condition Monitor	Detects driver fatigue and issues audible and visual warnings

MOST APPRECIATED FEATURES AND THEIR BENEFITS

APPRECIATED ATTRIBUTE: DRIVERS AIDS, cont.

CHARACTERISTIC	FEATURE	BENEFIT
When Parking	Rear View Camera Parking sensors	Aids driver in detecting unseen hazards when reversing
	360 Park Distance Control	Supports the driver in confined space situations by providing object tracking along the sides of the vehicle
	Parallel Park Assist	Automatically guides the driver in safely parking in a space only 20% longer than the vehicle
	Perpendicular Park	Steers the vehicle when reversing into a perpendicular space
	Park Exit	Aids the driver by steering the vehicle out of a parking space
	Advanced Tow Assist	Provides automated steering input to aid driver when reversing a trailer. Think of it as Park Assist with a trailer.
	Surround Camera System	Higher definition cameras complement visibility in close situations whether on-road, off-road or trailering
	Reverse Traffic Detection	Audibly and visually alerts the driver to a vehicle approaching when reversing from a parking space when vision is blocked.

APPRECIATED ATTRIBUTE: HANDLING

CHARACTERISTIC	FEATURE	BENEFIT
On-road Ride and Handling with Off-road Capability	Aluminum Double Wishbone and Multilink Rear Suspension	Outstanding cornering control with comfortable Range Rover ride while providing impressive wheel travel
	Adaptive Dynamics with Computer Adjusted Shock Absorbers	Maintains ride quality and control even in demanding driving situations
	Dynamic Response (V8 only) with Active Sway Bars	Reduces body roll on-road and increases articulation off-road
	Electric Power Assisted Steering	Precise steering control with reduced effort and improved fuel efficiency

MOST APPRECIATED FEATURES AND THEIR BENEFITS

APPRECIATED ATTRIBUTE: VERSATILITY

CHARACTERISTIC	FEATURE	BENEFIT
For People	Third Row Seating	The option of third row seats adds to versatility for families with active lifestyles, NA with 19" or 22" wheels
For Cargo	Large Capacity	For sport and adventure
Towing	Ability to Tow up to 7716 lbs. (3500kg)	Full Land Rover capability is maintained even in this sportier package

APPRECIATED ATTRIBUTE: ENGINE/PERFORMANCE

CHARACTERISTIC	FEATURE	BENEFIT
Strong Acceleration	3.0L V6 340 HP Supercharged Engine	Improves acceleration (+.3 sec 0-60) over the prior 5.0L V8 while improving fuel efficiency and reducing emissions by 20%
	380 HP 3.0L V6 Supercharged	An additional 40 HP to enhance performance and make HSE Dynamic a unique performance driving experience
	3.0L Td6 Diesel	443 lb/ft of torque gives Sport tremendous low-end power for accelerating from a stop or towing while achieving low emissions
	550 HP SVR 5.0L V8	The most powerful engine ever offered in a Land Rover for breathtaking acceleration
Efficiency	8-Speed Transmission	Maximizes performance while enhancing fuel economy
	Supercharged	Power on demand but fuel efficient in normal driving
	Intelligent Stop/Start	Under certain conditions the engine will shut off when the vehicle stops, stopping fuel use, then restart automatically when the brake is released

APPRECIATED ATTRIBUTE: ALLOY CONSTRUCTION

CHARACTERISTIC	FEATURE	BENEFIT
Reduced Weight	Weights 800 lbs (363 kg) Less than Prior Generation	Improved acceleration, braking, handling and fuel efficiency and enhances safety with less kinetic energy to be absorbed in a collision
	Monocoque Construction	Great strength, refinement and durability without excess weight
Safety	Aluminum	Absorbs and dissipates impact energy better than steel

MOST APPRECIATED FEATURES AND THEIR BENEFITS

APPRECIATED ATTRIBUTE: TRACTION

CHARACTERISTIC	FEATURE	BENEFIT
Handling Adverse Conditions	Permanent 4WD	Assures that power is actively apportioned to both front and rear axles for maximum traction
	Single Speed Transfer Case	The Torsen® center differential begins with a 42/58 torque split to provide more performance, sporting feel for handling. It can vary torque split between front and rear from 62/38 to 22/78 to optimize traction in adverse conditions
	Two Speed Transfer Case	Begins with a 50/50 torque split and can vary power distribution from 0-100 to 100-0 if needed for the most demanding situations. Low range is provided for extreme pulling power in low speed situations such as rock crawling and heavy towing
	Torque Vectoring	Uses imperceptible levels of braking when cornering and accelerating to redirect power and improve grip, thereby reducing understeer
	Terrain Response 2 Auto	Senses driving conditions and automatically adopts the optimum Terrain Response program
	All Terrain Progress Control (ATPC)	Easier off-road driving by achieving and maintaining a driver selected off-road speeds so the driver need only steer
	Low Traction Launch	Prevents wheel spin and provides a smooth launch on low traction surfaces (grass, snow, etc) by controlling torque
	Electronic Traction Aids (4ETC, DSC, ABS, CBC, EUC)	Utilizes sophisticated programs to automatically control braking and throttle to optimize traction in virtually all driving conditions

MOST APPRECIATED FEATURES AND THEIR BENEFITS

APPRECIATED ATTRIBUTE: COMFORT & LUXURY

CHARACTERISTIC	FEATURE	BENEFIT
Easy of Entry/Exit	Remote Start	Added convenience via the InControl Remote Smartphone App by allowing the climate control system to begin working before entering the car
	Automatic Access Height	Monitors inputs from seatbelt, ignition position, gear position and doors to automatically lower the vehicle to Access Height for convenience
Climate Control	Dual Zone	Allows more precise control of air flow left/right including airflow direction and temperature setting
	Soft Ducts	Reduces air rush noise
	Third Row	Additional ducts keep third row passengers comfortable
Seats	Heated and Cooled	Superior comfort in all climates with heating/active cooling for faster response than ventilated seats
Tailgate	Full Power Operation	For ease and convenience of loading and unloading cargo
	Hands-Free Gesture Tailgate	Two sensors, located under the rear corners of the vehicle, give easier, hands-free access to the cargo area.
Entertainment	InControl Touch Pro	10.2" Touchscreen with upgraded graphics and interfaces creates user-friendly controls for audio, vehicle systems, navigation, phone and apps
	Audio Systems	Range Rover Audio with 250 W with 8 speakers Meridian Surround Sound with 825 W with 19 speakers Meridian Signature Surround Sound with 1700 W with 23 speakers and 3D sound
	Bluetooth Audio Streaming	Conveniently enables wireless use of a compatible music device
	Media Storage	Up to 10 GB of music or other media can be stored for convenience and to reduce distraction

MOST APPRECIATED FEATURES AND THEIR BENEFITS

APPRECIATED ATTRIBUTE: COMFORT & LUXURY, cont.

CHARACTERISTIC	FEATURE	BENEFIT
Navigation	Connected Navigation	Real Time Traffic, Arrival View, Door-to-Door Routing and Route Planner App combine to provide a comprehensive navigation experience
Reduced Driver Distractions	Head Up Display	Displaying speed and navigation turn notices in the driver's line of sight means eyes stay on the road
Connected to Your World	InControl Apps	Allows access and use of approved vehicle-optimized compatible smartphone apps via the touchscreen
	InControl Protect with Complimentary 4-year Subscription	Emergency Call – Airbag deployment, crash sensing calls automatically or press of the dedicated button call for emergency services Optimized Roadside Assistance – Summon assistance with one button Location, vehicle description and condition automatically sent
	InControl Remote	Enhanced features allow remote locking/unlocking and alarm reset in addition to last park location, vehicle status and journey logging
	Wi-Fi	The 3G system provides a more reliable connection than smartphones due to its antenna system
