## 2017 RANGE ROVER

2017 brings an array of enhancements to the Range Rover series including the addition of the SVAutobiography Dynamic to the line-up.

An impressive list of additional Driver Aids and In-Car Technology features assure that Range Rover continues its leadership position in the luxury SUV class.

## TABLE OF CONTENTS

Introduction .....	1
Changes for 2017 .....	2-3
Standard Equipment .....	4-9
Options and Packages .....	10-11
Most Appreciated Attributes.....	12-17

# WHAT'S NEW FOR 2017

New 550 HP Range Rover SVAutobiography Dynamic variant – see model description for details.

## VEHICLE SYSTEMS

FlexRay and Ethernet Communications technology – this new electrical network infrastructure quadruples the communications speed between vehicles systems connected via the Body System CAN data bus for improved systems integration and performance.

## DRIVERS AIDS

New features as standard

- Lane Departure Warning
- Autonomous Emergency Braking

Advanced Driver Assistance System (ADAS)

- Two packages available
  - Drive
  - Drive Pro
- New Features Available for 2017 (included in above packages)
  - Blind Spot Assist
  - Lane Keep Assist
  - Driver Condition Monitor

Low Traction Launch – provides smooth launch in low traction conditions

All Terrain Info Center – 4x4i updates

Advanced Tow Assist – When reversing with a trailer, Advanced Tow Assist steers the vehicle to achieve the desired trailer path

## EXTERIOR

- Rear Suspension adjustment from Key Fob – to aid loading or connecting trailer
  - Hazard flashers must be turned on
  - Raise, lower or return to Normal height
- Colors
  - Narvik Black added to solid color choices
    - Available as a non-metallic color choice
    - Replaces Santorini Black for contrast roof and LWB black mirror caps
  - New Premium Metallic colors
    - Silicon Silver
    - Farallon Black
  - Discontinued colors
    - Barolo Black
    - Mariana Black
  - SVO paints with reduced pricing now available on all variants
    - See Order Guide for details on Ultra Metallic, Special Effect and Satin Matte Paint choices
    - Duo Tone paint available only for SVAutobiography LWB
    - Bespoke paints available for special order
- Black Design Package
  - Available on HSE and Supercharged
  - Choice of 21" or 22" black wheels
  - Black trim as previously available on Limited Edition variants

# WHAT'S NEW FOR 2017

## INTERIOR

- Homelink – updated version increases compatibility with newer remote control systems
- Rotary Shifter trim – changes to Piano Black for all models except SVAutobiography variants
- Interior mirror – new frameless design
- Glove Box – 12V power socket and courtesy light are added in upper box
- Intelligent Stop/Start button – will now illuminate when the system is turned OFF
- Climate Control Updates – incorporates three Air Purity settings and three Auto Air Flow choices

## IN-CAR TECHNOLOGY

- InControl Touch Pro
  - Central hub to control entertainment, infotainment and vehicle features
  - 10.2" Touchscreen
  - InControl Pro Services for warranty period now standard
  - Solid State Drive (SSD) with 10GB of media storage
- Audio system updates
  - Meridian Sound System now incorporates a "Fresh Air" subwoofer enabling a reduction in speaker weight and size while improving sound quality
  - Top-of-the-line Meridian Reference Sound System now includes Conversation Assist
- Rear Seat Entertainment choices
  - 8" system – two independent 15:9 screens in head restraints
  - 10" system – two independent 16:9 in seat backs with 1280x720 HD resolution
  - New RSE User Interface Panel (UIP) with USB, HDMI and MHL connectivity to support multiple smartphones, tablets or other devices

# STANDARD EQUIPMENT

## 2017 RANGE ROVER

### POWERTRAIN/PERFORMANCE/HANDLING

- 3.0-liter Supercharged V6 / 340 HP/ 332 lb-ft torque OR 3.0L Td6 Diesel Turbocharged - 254 HP/443 lb/ft (add \$2000)
- Intelligent Stop/Start system
- 8-speed auto transmission with Drive Select Rotary Shifter and steering wheel mounted paddle shifters
- Permanent Four Wheel Drive & 2-speed electronically controlled transfer gearbox
- 4-corner Electronic Cross Linked Air Suspension with Access, Standard, Intermediate Off-Road and Extended Modes
- Terrain Response® system
- Adaptive Dynamics
- Electronic Power Assisted Steering (EPAS)
- 19" 5-Split Spoke alloy wheel Style 501 with reduced section spare wheel

19" Style 501  
Std-Range Rover

### DRIVERS AIDS

- Land Rover InControl Protect
- Driver & passenger airbags (side, seat-front, thorax and pelvis),
- Front height adjustable seat belts
- Low Traction Launch
- Autonomous Emergency Braking
- Lane Departure Warning
- ABS / EBD / HDC / 4ETC / CBC / DSC / EBA / ARM / TPMS / Roll Stability Control /Trailer Stability Assist
- Cruise Control / Active Speed Limiter (ASL)

### EXTERIOR

- Park Aid with Rear View Camera and front visual display with washer
- Xenon automatic headlights with power washer
- LED Signature running lights
- Rear wash wiper, LED tail lamp & turn signals, rear fog lights
- Privacy glass fitted to rear doors, quarter light and rear window with laminated hydrophobic front door glass.
- Hands-Free Gesture controlled power upper and lower tailgate
- Power tailgate upper & lower, open & close
- Mirrors - Heated, adjustable, powerfold exterior, with puddle lamps (with illuminated Range Rover image).
- Solar attenuating windshield

# STANDARD EQUIPMENT

## INTERIOR

- Passive keyless entry with push button start and perimeter alarm
- Figured Macassar wood trim on fascia and doors
- Heated grained leather-trimmed seats [10-way driver/10-way passenger] include electric lumbar support
- Driver's seat memory
- Driver and Passenger Leather Front Seat Armrests with Headrest Front & Rear (2-Way tilt)
- Heated leather steering wheel with multi-functional controls
- Front center console compartment, front & rear cupholders
- Manual rear seat recline, rear center arm rest with storage
- Split 60/40 folding rear seat with load-through facility
- Loadspace anchor provisions, hinged loadspace hardcover
- Morzine headlining
- Aluminum tread plates with Range Rover lettering
- Front & rear carpet mats
- Auto-dimming interior mirror, interior mood lighting, illuminated vanity mirrors
- Power adjustable steering column (entry and exit tilt away)
- Triple-zone automatic climate control
- Heated front & rear windshield
- One-touch down driver & passenger windows, power operated child locks, secure glove box stowage
- Rain sensing wipers
- Homelink
- Electronic parking brake

## IN-CAR TECHNOLOGY

- Full 12.3" Thin Film Transistor (TFT) / LCD instrument screen with virtual gauges
- 10.2" Touchscreen and InControl Touch Pro infotainment system
- 8" Touchscreen, 380 Watt Meridian Audio with 13 speakers and 10 GB media storage, includes satellite & HD radio
- Land Rover InControl Apps and InControl Remote
- InControl Pro Services (warranty period)
- USB port and separate iPod port with full iPod integration
- On-road hard disc drive (HDD) satellite navigation system w/touch-screen
- Solid State Drive (SSD) Navigation
- Intuitive Voice Control
- Bluetooth® phone connectivity including Bluetooth® audio streaming

# STANDARD EQUIPMENT

## RANGE ROVER HSE ADDS TO RANGE ROVER:

### POWERTRAIN/PERFORMANCE/HANDLING

- 3.0L V6 Supercharged – 380 HP OR
- 3.0L Td6 Diesel Turbocharged - 254 HP/440 lb/ft (add \$2000)
- Upgraded front brakes with larger rotors with 380 HP engine

### EXTERIOR

- Sliding Panoramic Roof including power blind
- 20" 5-Split Spoke alloy wheel – Style 502
- Soft door close
- Auto-dimming heated power-fold exterior mirrors with approach lamps

20" Style 502  
Std - HSE

### INTERIOR

- Full Oxford perforated leather seats with map pockets.
- 14-Way driver & passenger front Climate Seats with adjustable bolsters
- Front & rear headrest with 4-way tilt
- Twin-blade sunvisor

## RANGE ROVER V8 SUPERCHARGED ADDS TO RANGE ROVER HSE:

### POWERTRAIN/PERFORMANCE/HANDLING

- 5.0L V8 Supercharged - 510 HP/461 lb/ft
- Dynamic Response, Terrain Response 2 Auto and All Terrain Progress Control (ATPC)
- 21" 10-spoke alloy wheel – Style 101

21" Style 101  
Std - Range Rover Supercharged

### APPEARANCE

- Front fog lamps
- Bright metal gas and brake pedals
- Supercharged badge on tailgate

## LONG WHEELBASE ADDS TO SUPERCHARGED:

### EXTERIOR

- 7.87" (200mm) longer wheelbase
- Narvick Black door mirrors
- Laminated rear quarter light windows
- "L" insignia letter on lower door side trim

### INTERIOR

- 7.3" (186 mm) additional rear seat legroom
- Extended Panoramic roof with blind switch for rear seat occupants
- Illuminated tread plates
- Rear side door power blinds and map pockets
- Center console deep stowage bin
- Configurable mood lighting

# STANDARD EQUIPMENT

## Autobiography adds to V8 Supercharged:

### POWERTRAIN/PERFORMANCE/HANDLING

- Active rear locking differential
- Unique Autobiography 21" diamond-turned alloy wheel – Style 101 with diamond-turned finish
- Tow Pack including receiver with electrics and full size spare wheel

21" Style 101  
with Diamond-Turned finish  
Std – Autobiography

### DRIVERS AIDS

- Head Up Display
- Adaptive Cruise Control with Queue Assist and Intelligent Emergency Braking
- Blind Spot Monitoring, Closing Vehicle Sensing, Reverse Traffic Detection
- Traffic Sign Recognition and Lane Departure Warning
- Surround Camera System
- Parallel and Perpendicular Park with Park Exit and 360 Park Distance Control

### EXTERIOR

- Choice of Extended Exterior Color Palette
- Exterior trim differentiation - grille, door handles, front bumper vents
- Unique Autobiography badge on tailgate
- Adaptive Xenon Headlamps with Automatic High Beam Assist

### INTERIOR

- Full Semi-Aniline leather seats with 8 additional colors
- Extended Interior Trim Palette, including leather center and lower dashboard, full leather door panels, leather center console sides
- 18-Way driver & passenger power front seats including massage and memory function, adjustable front seat bolsters, front & rear winged headrests and front & rear Climate Seats
- Embossed "Autobiography" script on center rear squab
- Power rear seats with recline, lumbar and fold functions with Intelligent Seat Cargo Mode
- Full Alston suedecloth headliner
- Rear vanity mirrors
- Choice of veneer wood trim
- Bright Noble plated gearshift paddles
- 4-Zone Climate Control, front center console cooler compartment
- Customer configurable Interior Mood Lighting
- Carpet mats with contrast edge and metal corners (front and rear)
- Illuminated aluminum tread plate with Autobiography lettering
- Loadspace rails and lockable cross beam and flexible band

### IN-CAR TECHNOLOGY

- Meridian Signature Reference 3D Audio – 1700W, 29 speakers
- Rear Seat Entertainment with 8" screens and touch screen remote control
- Two Whitefire™ wireless headphones

## Autobiography LWB also adds to Supercharged LWB:

- 20-Way power front seats with upper seat articulation
- 10.2" Rear screens for Rear Seat Entertainment

## STANDARD EQUIPMENT

### SVAutobiography Dynamic adds to Autobiography (SWB):

#### POWERTRAIN/PERFORMANCE/ HANDLING

- 5.0L V8 Supercharged - 550 HP/502 lb/ft
- Enhanced suspension
- Steering ratio increased
- 8mm lowered ride height
- 21" Style 505 alloy wheels with Dark Grey finish
- Red Brembo brake calipers with Brembo branding

21" Style 505  
with Dark Grey finish  
Std – Autobiography Dynamic

#### EXTERIOR

- Graphite Atlas accents – grille, front bumper vent blades, tow eye cover, 'Range Rover' script, hood finisher, side lower accents, tailgate finisher and rear bumper accents
- Body color door handles
- Narvik black exterior mirror caps
- Unique SVAutobiography Dynamic tailgate badge
- Clear taillight lenses

#### INTERIOR

- Four unique color themes
- Power upper seat articulation for front seats
- Semi-Aniline perforated leather seats with unique design
- Perforated leather headliner
- Grand Black veneer with red key line
- Knurled metal finish – Shifter, Terrain Response control, rear metal coat hooks and Start/Stop and glove box buttons
- Key fob with knurled detailing and red Autobiography script
- Power rear bench seat

# STANDARD EQUIPMENT

## SVAutobiography adds to Autobiography LWB:

### POWERTRAIN/PERFORMANCE/ HANDLING

- 5.0L V8 Supercharged - 550 HP/502 lb/ft
- Increased damping levels and EPAS steering calibrations
- 6614 lbs. tow capacity (3000 kg)
- 21" 7-spoke Style 706 alloy wheels with high-gloss, polished finish

21" Style 706  
7-spoke High Polish finish  
alloy wheel  
Std – SVAutobiography

### EXTERIOR

- Grille surround in Santorini Black
- Grille surround Inner in bright chrome
- Grille mesh with bright chrome inserts
- Inner grille mesh in Dark Atlas
- Unique side fender vents with distinctive chrome detail
- Unique door handle treatment, door accent
- Unique chrome upper tailgate finisher, brushed stainless lower tailgate closure/finisher panel (between upper and lower tailgates)
- Signature rear lamp design
- SVAutobiography badge on tailgate

### INTERIOR

# MOST APPRECIATED FEATURES AND THEIR BENEFITS

Consumer research has identified several key areas of satisfaction among Range Rover owners, which give us insight about what they like most about their vehicle. It is critical that these key areas of satisfaction be fully communicated to prospective clients.

## APPRECIATED ATTRIBUTE: HANDLING

CHARACTERISTIC	FEATURE	BENEFIT
On-road Ride and Handling	Aluminum Double Wishbone and Multilink Rear Suspension	Outstanding cornering control with comfortable Range Rover ride while providing impressive wheel travel
	Adaptive Dynamics with Computer Adjusted Shock Absorbers	Maintains ride quality and control even in demanding driving situations
	Dynamic Response (S/C) with Active Sway Bars	Reduces body roll on-road and increases articulation off-road
	Electric Power Assisted Steering	Precise steering control with reduced effort
Handling Adverse Conditions	Permanent 4WD	Assures that power is actively apportioned to both front and rear axles for maximum traction
	Terrain Response 2 Auto	Senses driving conditions and automatically adopts the optimum Terrain Response program
	All Terrain Progress Control (ATPC)	Easier off-road driving by achieving and maintaining a driver selected off-road speed
	Electronic Traction Aids (4ETC, DSC, ABS, CBC, EUC)	Utilizes sophisticated programs to automatically control braking and throttle to optimize traction in virtually all driving conditions
	Low Traction Launch	Prevents wheel spin and provides a smooth launch on low traction surfaces (grass, snow, etc) by controlling torque

# MOST APPRECIATED FEATURES AND THEIR BENEFITS

## APPRECIATED ATTRIBUTE: IN-CAR TECHNOLOGY

CHARACTERISTIC	FEATURE	BENEFIT
Entertainment	Meridian Audio	380 W with 8 speakers
	Premium Surround Sound	825 W with 19 speakers
	Signature Reference Audio	1700 W with 23 speakers and 3D sound
	Bluetooth Audio Streaming	Conveniently enables wireless use of a compatible music device; Wireless hands-free phone use
	Media Storage	Up to 10 GB of music or other media can be stored for convenience and to reduce distraction
	Land Rover InControl Apps	Allows access and use of approved vehicle-optimized compatible smartphone apps via the touchscreen
Ease of Using Voice Recognition	Intuitive Voice Control	'Natural' speech delivery for English allows conversational interaction and does not require the use of specific terminology for user-friendly experience
Navigation	Connected Navigation	Real Time Traffic, Arrival View, Door to Door Routing and Route Planner App combine to provide a comprehensive navigation experience
Rear Seat Entertainment	8" Screen System	Available in non-Autobiography level variants, features 15:9 8" screens with dedicated remote and Whitefire wireless headphones for the rear seat passengers
	10" Screen	Available in Autobiography, the system features 10" 1280x720 HD screens with 16:9 format
Connected to Your World	InControl Protect with Complimentary 4-year Subscription	Emergency Call – Airbag deployment, crash sensing calls automatically or press of the dedicated button call for emergency services Optimized Roadside Assistance – Summon assistance with one button. Location, vehicle description and condition automatically sent
	InControl Remote	Enhanced features allow remote locking/unlocking, vehicle start and climate control adjustment, in addition to last park location, vehicle status and journey logging.
	InControl Pro Services	Wi-Fi and Connected Navigation features ensure that occupants can stay connected

# MOST APPRECIATED FEATURES AND THEIR BENEFITS

## APPRECIATED ATTRIBUTE: VISIBILITY

CHARACTERISTIC	FEATURE	BENEFIT
Visibility During Parking	Reverse Traffic Detection	Uses Blind Spot Monitor sensors to detect oncoming traffic when reversing from a parking space when vision is limited
	Park Distance Control	Gives audible and visible warnings to assist the driver in close parking maneuvers
	Rear View Camera	Appears when Reverse is selected and offers guide line options to aid when backing up. New, higher resolution 1.2 megapixel camera for 2016.
	Surround Camera System	Complements visibility in close situations whether on-road, off-road or trailering
	Command Driving Position	Large windows and mirrors give the driver a clear view of surroundings and car corners from a parking space when vision is blocked.
Visibility During Lane Change	Command Driving Position	Large windows and mirrors give the driver a clear view of driving/traffic conditions
	Blind Spot Monitor	Alerts the driver to detect nearby vehicles that may be difficult to see at a glance
	Blind Spot Assist	Applies gentle steering correction if lane change is initiated when a vehicle is approaching in that lane
	Closing Vehicle Sensing	Alerts the driver to vehicles rapidly approaching from behind that may pose a potential danger
	Lane Departure Warning	Uses a forward facing camera to see lane markings and warns the driver through steering wheel vibration if lane drift occurs when turn signals are not activated
	Lane Keep Assist	Corrects unintentional lane drift with gentle steering correction to maintain the lane

# MOST APPRECIATED FEATURES AND THEIR BENEFITS

## APPRECIATED ATTRIBUTE: VISIBILITY, cont.

CHARACTERISTIC	FEATURE	BENEFIT
Parking Ease	Park Assist	The system can identify and control steering to parallel park the vehicle in a space only 1.2 times the length of the car
		Park Exit aids the driver by steering the vehicle when leaving a tight parallel parking space while the driver controls throttle and brake
		Perpendicular park aids the driver by steering the vehicle into the center of a perpendicular space.
	360 Park Distance Control	Supports the driver when in confined space situations by providing object tracking along the sides of the vehicle
	Advanced Tow Assist	Provides automated steering input to aid the driver when reversing a trailer. Think of it as Park Assist with a trailer.
Driving Aids	Traffic Sign Recognition	Uses the same camera as Lane Departure Warning to see speed limit signs and display them in the instrument cluster to assist the driver
	Intelligent Speed Limiter	Adjusts vehicle speed if necessary to keep within the maximum legal road speed. Traffic sign and navigation data are used to determine the speed limit.
	Autonomous Emergency Braking	Uses stereo camera technology to help avoid collisions or mitigate their consequences. AEB alerts the driver both visually and audibly and can apply full braking to stop the car.
	Driver Condition Monitor	Detects driver fatigue and issues audible and visual warnings
Reduced Driver Distractions	Head Up Display	Displays speed and navigation turn notices in the driver's line of sight which helps to ensure the driver's attention is fully focused on the road ahead

# MOST APPRECIATED FEATURES AND THEIR BENEFITS

## APPRECIATED ATTRIBUTE: ENGINE/PERFORMANCE

CHARACTERISTIC	FEATURE	BENEFIT
Acceleration and Passing Power	Supercharged V6 and V8 Engines	Power on demand with greater fuel efficiency in normal driving  V6 SC powers Range Rover from 0-60 mph in only 7.1 seconds while providing better fuel efficiency and lower emissions than the earlier 5.0L V8 it replaced
	380 HP Engine in HSE	An additional 40HP adds to the performance and value of HSE
	550 HP 5.0L V8 Supercharged	The ultimate in power and performance in the new SVAutobiography and SVAutobiography Dynamic
	3.0L Td6 Diesel	440 lb/ft of torque gives Range Rover tremendous low-end power for accelerating from a stop or when towing
Fuel Economy	V6 Supercharged	Offers an outstanding combination of power, efficiency and refinement
	3.0L Td6 Diesel	Even greater fuel efficiency and low emissions with DEF
	Intelligent Stop/Start	Can automatically shut off and restart the engine during stops to reduce emissions and improve fuel consumption by eliminating idling waste.
Driving Range	27.7 Gallon Fuel Tank (gas versions)	The large fuel tank combined with excellent gas mileage means fewer stops for fuel. City range of 470 mi and hwy range of 635 mi based on EPA estimates for V6 SC
	23.5 Gallon Fuel Tank (diesel version)	City range of 517 miles and highway range of 658 miles, based on EPA estimates
Smooth Transmission	8-Speed ZF Automatic	Close gear spacing and electronic shift control combine for seamless shifts and a refined flow of power contributing to the effortless performance of Range Rover

# MOST APPRECIATED FEATURES AND THEIR BENEFITS

## APPRECIATED ATTRIBUTE: ALLOY CONSTRUCTION

CHARACTERISTIC	FEATURE	BENEFIT
Reduced Weight	Weighs 700 lbs (317.5 kg) Less Than Prior Generation	Improved acceleration, braking, handling and fuel efficiency and enhances safety with less kinetic energy to be absorbed in a collision
	Monocoque Construction	Great strength, refinement and durability without excess weight
Safety	Aluminum	Absorbs and dissipates impact energy better than steel

## APPRECIATED ATTRIBUTE: COMFORT & LUXURY

CHARACTERISTIC	FEATURE	BENEFIT
Ease of Entry/Exit	Automatic Access Height	Monitors inputs from seatbelt, ignition position, gear position and doors to automatically lower Range Rover to Access Height for convenience
Climate Control	Dual Zone	Allows more precise control of air left/right including airflow direction and temperature setting
	Soft Ducts	Reduces air rush noise
	Three Air Purity Settings	Low, Medium and High settings for added comfort
	Three Auto Air Flow Settings	Soft and quiet, balanced or powerful or fast to suit the occupants' desires
Seats	Heated and Cooled	Superior comfort in all climates with heating and active cooling for faster response than ventilated seats
	Programmable Massage Seats	Occupant control of intensity, location and programmable automatic start for comfort
	Rear Executive Class Seating	For the ultimate in rear seat comfort and luxury featuring climate seats with 17 degrees of recline, power rear seat tables, 10.2" entertainment screens, foot and calf rests
Tailgate	Full Power Operation	World's first full-power, split tailgate for ease and convenience of loading/unloading cargo
	Hands-Free Gesture Tailgate	Two sensors, located on either side below tailgate, give easier, hands-free access to the cargo area
